

Calligraphy Experience

Write 2025's Zodiac "Snake"

In Japan, the year is often represented by a zodiac animal. These 12 animals, originating from ancient Chinese calendars, are used to decorate homes during the New Year. 2025 is the Year of the Snake. Why not try writing 'Snake' in Japanese calligraphy on a small piece of colored paper as a unique New Year's decoration?

Date

1 / 23 11:00 ~ 17:00

Feel free to join us anytime during the designated period (about 30 minutes).

Fee

5,000yen
